Cream

WITH A HINT OF
CARMEL AND SEA SALT

SALTED CARMEL, CREAM, AND
SPIRITS IN PERFECT HARMONY

Old St. Croix Cream Caramel is a luxurious cream liqueur where silky caramel, a touch of sea salt, and rich spirits from the West Indies and Central America melt together into a smooth and indulgent experience.

This is more than just a liqueur – it’s a seductive embrace with depth and warmth. The cream comes from free-range Irish cows, while the delicate hint of sea salt balances the sweetness of the caramel and highlights the complexity of the aged spirits. Every sip is like a liquid dessert – with a soul that tastes of sun, sea, and craftsmanship. Enjoy it chilled, over ice, in cocktails, or as a decadent finish to a good meal.

A creamy adventure begins here.
